EYES CARE

NEW V.ROHTO

Characteristic:

- Protect and nourish the eyes better with Vitamins B5, B6, Amino Acid, anti-inflammatory and antihistamine.

Demonstrative:

- Eye fatigue, conjunctival congestion, eye disease caused by ultraviolet rays or other light rays (eg snow blindness), blurred vision due to discharge, itchy eyes, inflammation of the eyelashes, overcome discomfort caused by using glasses hard contact.
- Prevent eye diseases when swimming or due to dust, sweat falling into the eyes.
- Moisturizes eyes.

Contraindicated:

- Not used for people with glaucoma and hypersensitivity to any ingredients of the drug.

Ingredients:

Tetrahydrocaine Hydrochloride, Dipotassium Glycyrrhizate, Chlorpheniramine Maleate, Pyridoxine Hydrochloride, Panthenol, Potassium L-Aspartate, Sodium Chondroitin Sulfate,...

Dosage and usage :

- 2-3 drops / time, 5-6 times / day.

V.ROHTO LYCEE

Characteristic:

- Combined with the ingredients Tetrahydrocaine Hydrochloride, Zinc Sulfate, Chlorpheniramine Maleate, quickly reduce red eyes caused by fatigue, stay up late after stressful hours, along with Vitamin B12, Vitamin B6, Potassium L-Aspartate is a bright, shiny eye conditioner.
- V.ROHTO Lycopodium has the natural pink color of Vitamin B12.

Demonstrative:

- Conjunctivitis, itchy eyes, eye fatigue, prevention of eye diseases (after swimming, or dust, sweat falling into the eyes), overcoming discomfort when wearing hard contact glasses, eye inflammation caused by rays ultraviolet or other light rays (such as snow blindness), eyelid inflammation, blurred vision due to discharge.

Contraindicated:

- Not used for people with glaucoma and hypersensitivity to any ingredients of the drug.

Ingredients:

Tetrahydrocaine Hydrochloride, Zinc Sulfate, Chlorpheniramine Maleate, Cyanocobalamin, Pyridoxine Hydrochloride, Potassium L-Aspartate,...

Dosage and usage :

- 2-3 drops / time, 5-6 times / day.

V.ROHTO VITAMIN

Characteristic:

- Including Vitamins and Amino acids such as: Natural Vitamin E, Vitamin B6, Sodium Chondroitin Sulfate, Potassium L-Aspartate,...
- Supplement V.ROHTO Vitamin daily to improve eyesight, prevent and treat dry, tired eyes.

Demonstrative:

- Assist in improvement of vision loss, blurred vision (due to discharge), tired eyes, conjunctival congestion, eye irritation, prevention of eye diseases (caused by swimming or dust, sweat falling in the eyes), eye inflammation due to ultraviolet rays or other light rays (such as snow blindness), eyelid inflammation, discomfort when using hard contact lenses.

Contraindicated:

- Not used for people with glaucoma and hypersensitivity to any ingredients of the drug.

Ingredients:

Potassium L-Aspartate, Pyridoxine Hydrochloride, Sodium Chondroitin Sulfate, d-α-Tocopherol Acetate, Chlorpheniramine Maleate.

Dosage and usage :

- 2-3 drops / time, 5-6 times / day.

V.ROHTO DRYEYE

Characteristic:

- V.ROHTO Dryeye contains Hydroxyethylcellulose (HEC), an active ingredient that enhances oily strength, prevents the water in tears from evaporating, and maintains moisture in the eyes.

Demonstrative:

- Adds artificial tears, creates moisture for dry eyes, tired eyes, and blurred eyes (due to the presence of many spots), reduces discomfort when using contact lenses.

Contraindicated:

- Not used for people with glaucoma and hypersensitivity to any ingredients of the drug.

Ingredients:

Hydroxyethylcellulose,...

Dosage and usage :

- 1-2 drops / time, 3-4 times / day. Can be smaller as many times as needed. Can be used while wearing contact lenses.

ROHTO ANTIBACTERIAL

Characteristic:

- The only antibacterial eye drops combined with anti-inflammatory and anti-histamine.
- The combination of 4 active ingredients Sodium Sulfamethoxazole, α -Aminocaproic Acid, Chlorpheniramine Maleate, Dipotassium Glycyrrhizate increases the therapeutic effect, prevents eye infections.
- Two anti-inflammatory substances α -Aminocaproic Acid, Dipotassium Glycyrrhizate reduce the symptoms of eye inflammation such as edema, congestion, pain together with the antihistamine effect of Chlorpheniramine Maleate that quickly eliminates unpleasant symptoms such as itching eyes.
- Stable composition and less irritation.

Demonstrative:

Scleritis, conjunctivitis, eyelid inflammation, itchy eyes.

Contraindicated:

- Be allergic to Sulfamide.

Ingredients:

Sodium Sulfamethoxazole, α -Aminocaproic Acid, Dipotassium Glycyrrhizate, Chlorpheniramine Maleate.

Dosage and usage:

- 2-3 drops / time, 5-6 times / day.

V.ROHTO COOL

Characteristic:

- Multi-function formula with amino acids, vitamins, and antihistamines to eliminate eye fatigue, redness and itchy eyes.
- The feeling of coolness, refreshing feeling dispels the tired state, making the eyes more refined and comfortable in spirit.

Demonstrative:

- Eye fatigue, conjunctival congestion, eye irritation, overcoming discomfort when wearing hard contact lenses, inflamed eyes caused by ultraviolet rays or other rays (such as snow blindness), eyelid inflammation, blurred vision due to secretion.
- Prevent eye diseases when swimming or due to dust, sweat falling into the eyes.

Contraindicated:

- Not used for people with glaucoma and hypersensitivity to any ingredients of the drug.

Ingredients:

Tetrahydrocoline Hydrochloride, Allantoin, Chlorpheniramine Maleate, Potassium L-Aspartate, Pyridoxine Hydrochloride.

Dosage and usage:

- 2-3 drops / time, 5-6 times / day.

V.ROHTO FOR KIDS

Characteristic:

- Aminoethylsulfonic Acid: amino acid that neutralizes chlorine in swimming pools; provide nutrients for eyes and quickly recover eye strain.
- α -Aminocaproic Acid: eliminates eye redness due to its anti-inflammatory effect and helps prevent other eye diseases. Chlorpheniramine Maleate prevents Histamine binding to receptors, eliminating redness and itching caused by inflammation.
- Inhibit inflammation, effectively reduce congestion and itchy eyes.
- Potassium L-Aspartate increases eye metabolism and maintains normal eye function.
- Formulated with pH and osmotic pressure similar to real tears to create a soothing sensation when eye drops, suitable for children.

Demonstrative:

- Eye fatigue, conjunctival congestion, eye inflammation caused by ultraviolet rays or other light sources (eg snow blindness), blepharitis, itchy eyes and blurred vision (due to excessive mucus).
- Prevent eye diseases caused by swimming, swimming, dust, sweat.

Contraindicated:

- Not used for people with glaucoma and hypersensitivity to any ingredients of the drug.

Ingredients:

Aminoethylsulfonic Acid, α -Aminocaproic Acid, Chlorpheniramine Maleate, Potassium L-Aspartate.

Dosage and usage:

- 2-3 drops / time, 5-6 times / day.

SKIN CARE

ACNES TRAVEL SET

Benefit:

Travel set of Acnes Creamy Wash 25g, Acnes Soothing Toner 20ml, Acnes Sealing Gel 5g, Acnes Body Shower is convenient for trial. Acnes Travel Set cleanses, prevent and care for acne skin.

Characteristic:

- Anti-bacterial and anti-acne for face and body.

Ingredients:

- **Step 1:** Wash face with Acnes Creamy Wash.
- **Step 2:** Balance moisture, control oilness with Acnes Soothing Toner.
- **Step 3:** Treat pimples with Acnes Sealing Gel & cleanse body, prevent back acne with Acnes Body Shower.

ACNES ANTI- ACNE MASK

Benefit:

Soothe skin, keep skin smooth, limit scarring - dark spot, prevent formation of new acne.

Characteristic:

Acnes Anti-Acne Mask is a specialized mask for oily and acne-prone skin.

- **WITCH HAZEL** extract: helps to soothe the skin, prevent the growth of acne bacteria. Pacnes thereby clearing blackheads, whiteheads.

- **ALOE VERA** extract: supports the skin regeneration to limit scarring - darkening, smooth skin.

- **ZINC PCA**: supports oil control thereby preventing the formation of new acne.

Ingredients:

Sodium PCA, Hydroxypropyl Methylcellulose, Zinc PCA, Polysorbate 20, Propylene Glycol, Ethanol, Hamamelis Virginiana (Witch Hazel) Leaf Extract, Aloe Barbadensis (Aloe Vera) Leaf Extract.

ACNES CREAMY WASH

Benefit:

Cleanse skin, reduce acne, limit scarring – dark spot, smooth skin, prevent formation of new acne.

Characteristic:

- Salicylic Acid: wash away excess sebum, dead cells, dirt from deep pores.
- Niacinamide: Supports skin regeneration, limits scarring, darkening and smooth skin.
- Zinc Gluconate: Control excess oil, anti-acne, prevent new acne.

Ingredients:

Salicylic Acid, Niacinamide, Zinc Gluconate.

ACNES SEALING GEL

Benefit:

Moisturize, soothe the skin, reduce oiliness, prevent formation of new pimples.

Characteristic:

- Salicylic Acid: wash away excess sebum, dead cells, dirt from deep pores.
- Niacinamide: Supports skin regeneration, limits scarring, darkening, and smooth skin.
- Zinc Gluconate: Control excess oil, anti-acne, prevent new acne.

Ingredients:

Salicylic Acid, Niacinamide, Zinc Gluconate.

ACNES FOAMING WASH

Benefit:

Gentle effect on skin, convenient daily use, save time, clear acne, anti-bacterial and prevent optimal lesion. With moisturizing ingredients such as Sodium Hyaluronate and Aloe Extract to keep skin clean and smooth. Suitable for oily and oily combination skin.

Characteristic:

- Salicylic Acid: wash away excess sebum, dead cells, dirt from deep pores.
- Niacinamide: Supports skin regeneration, limits scarring, darkening, and smooth skin.
- Zinc Gluconate: Control excess oil, anti-acne, prevent new acne.

Ingredients:

Salicylic Acid, Niacinamide, Zinc Gluconate.

ACNES SOOTHING TONER

Benefit:

Moisturize, soothe the skin, reduce oiliness, prevent formation of new pimples.

Characteristic:

- Salicylic Acid: wash away excess sebum, dead cells, dirt from deep pores.
- Niacinamide: Supports skin regeneration, limits scarring, darkening, and smooth skin.
- Zinc Gluconate: Control excess oil, anti-acne, prevent new acne.

Ingredients:

Salicylic Acid, Niacinamide, Zinc Gluconate.

ACNES ANTI- BLACK HEAD CLEANSER & MASK

Benefit:

Acnes Anti- Blackhead cleanser & mask with MAXIDEFENSE formula optimizes the effectiveness of Salicylic Acid and TripleMINERAL System to help anti- bacterial, clean blackheads, tighten pores, for smooth, clear skin.

Characteristic:

- Salicylic Acid (2%) & Jojoba seeds: Wash away sebum, dead cells, help unlock pores, push blackheads to emerge
- TripleMINERAL (Copper, Zinc, Magnesium): Provides essential minerals for the skin, controls sebum, prevents acne, supports the production of collagen, for a smooth skin.

Ingredients:

Salicylic Acid (2%) & Jojoba Seeds, TripleMINERAL (Copper, Zinc, Magnesium)...

ACNES OIL CONTROL CLEANSER

Benefit:

With ultrafine particles wash away dirt, remove excess sebum and dead cells, shrink pores, prevent acne formation, leave skin smooth and anti- shine.

Characteristic:

Long- lasting oil control effect:

- Ultrafine Particle: control excess oil, wash away dirt, dead cells in deep pores.
- Zin PCA: Controls prolonged sebum, tighten pores, smooth skin, not greasy.
- Sodium Hyaluronate: Balance moisture, keeps skin moist and smooth.

Ingredients:

Tocopheryl Acetate (Vit E), Magnesium Ascorbyl Phosphate (Vit C), Niacinamide (Vit B3), Panthenol (Vit B5), RetinylPalmitate (Vit A), Pyridoxine HCl (Vit B6)...

ACNES VITAMIN CLEANSER

Benefit:

Clean dirt, prevent acne, helps brighten skin, fade dark spot after acne, collagen fiber tissue becomes firmer.

Characteristic:

- Combines essential vitamins for the skin such as vitamins E, C, A, B3, B5, and B6 especially suitable for recover skin after acne.

Ingredients:

Tocopheryl Acetate (Vit E), Magnesium Ascorbyl Phosphate (Vit C), Niacinamide (Vit B3), Panthenol (Vit B5), RetinylPalmitate (Vit A), Pyridoxine HCl (Vit B6)...

ACNES VITAMIN CREAM

Benefit:

Nourishes and rejuvenates the skin after acne, brighter skin, firmer, smoother, fade dark spots, prevents acne.

Characteristic:

- Quickly absorb, non greasy, providing 6 vitamins and essential amino acids to help nourish and recover skin after acne.

Ingredients:

RetinylPalmitate, Ascorbyl Glucoside, Tocopheryl Acetate, Niacinamide, Pyridoxine HCl, Panthenol...

ACNES PURE WHITE CLEANSER

Benefit:

Deep clean - Whitening - Oil control - Acne prevention.

Characteristic:

- Acnes Whitening+ Cleanser with intelligent whitening mechanism, Melts-Detectiv Drone technology, actively move Peptide X50 Pure White to the right location of melanin formation. By doing so, it reduces melanin formation, whiten and even skin tone.

- Hyaluronic Acid provides essential moisture and Isopropylmethylphenon helps to fight bacteria and prevent acne.

Ingredients:

Water, Glycerin, Sodium Cocoyl Glycinate, Butylene Glycol, Hydroxypropyl Starch Phosphate, Sodium C14-16 Olefin Sulfonate, PEG-20M, Lauryl Glucoside...

ACNES PURE WHITE CREAM

Benefit:

Whitening, oil control, acne prevention.

Characteristic:

Acnes Whitening + Cream with Melts-Detectiv Drone technology reduces melanin formation, Peptide X50 Pure White helps to whiten and even skin tone.

Acnes Whitening + Cream not only whitens with a smart mechanism, but also provides necessary moisture, controls sebum, prevents acne with Hyaluronic Acid and Niacinamide.

Ingredients:

Water, Niacinamide, Cetyl Alcohol, Polysorbate 60, Arachidyl Alcohol, Dimethicone, Sodium Hyaluronate (HA), Dipotassium Glycyrrhizate, Palmitoyl sh-Octapeptide-24 Amide (Peptide X50 Pure White), Palmitoyl sh-Tripeptide-5 Nonyloleucyl sh-Nona peptide-1, Squalene...

ACNES BABY MUD CLEANSER

Benefit:

Specially formulated from baby mud, prevents skin damaging agents, gives pure, bright skin, tightens pores and prevents acne.

Characteristic:

- Baby mud is a natural ingredient, does not contain irritating chemicals that cause acne or sunburn, has many positive-effects on the skin.

- Purify skin, tighten pores: baby mud- bound particles absorb and remove dirt, sebum, tighten pores, prevents acne from returning.

- Brightening skin: with many minerals and trace elements, baby mud helps brighten skin naturally.

Ingredients:

Silt (Mud), Phyllostachys Heterocycla Charcoal Powder, Kaolin...

ACNES BABY MUD MASK

Benefit:

A facial mask formulated from natural baby mud, absorbs and removes skin-damaging agents, leave skin pure, smooth, tightened pores and prevent acne from returning.

Characteristic:

- Silt (baby mud), Phyllostachys Heterocycla Charcoal Powder, Kaolin.

- Purify skin, tighten pores.

- Brighten & smooth skin.

Ingredients:

Silt (mud), Kaolin.

ACNES BODY SHOWER

Benefit:

Acne on the body such as back, neck, shoulders, chest ... is usually persistent and difficult to control. Acnes Body Shower-daily shower gel cleans sebum from deep pores, effectively anti-bacterial acne, for clean, healthy skin.

Characteristic:

- Clean acne, control oilness.
- Prevent new acne.
- Clean skin, not dry.

Ingredients:

Salicylic Acid, Sodium Ascorbyl Phosphate, Sodium Hyaluronate...

ACNES WASHING BAR

Benefit:

Daily soap for face and body, cleanses sebum deep into pores, effectively anti-bacterial acne, for clean, healthy skin.

Characteristic:

- Flonin, Kaolin: Clean acne, control excess oil on skin.
- Glycosyl Trehalose: Helps to protect damaged cells caused by acne, keeps skin smooth.
- Vitamin E, Allantoin: Reduce inflammation, prevent new acne formation.

Ingredients:

Flonin, Glycosyl Trehalose, Kaolin, Tocopheryl Acetate, Allantoin...

ACNES MEDICAL CREAM

Benefit:

Nodule, pustule, papule acne treatment.

Characteristic:

- Kill bacteria that cause acne, remove the scales on the acne, help acne and dirt get out easily.
- Reduce swelling, redness due to acne.
- High content of vitamin E, increase skin regeneration.

Ingredients:

Resorcin, Sulfur, Glycyrrhetic Acid, Vitamin E...

ACNES CLEAR PATCH

Benefit:

Post-acne skin treatment: brighten dark spots, fade acne scars, prevent new acne formation.

Characteristic:

- Focuses on advanced ingredients and optimizes the effectiveness of GLYCOFILMB 1.5P technology with the Activ System-CORRECTOR to bring high efficiency in improving acne-induced lesions.

- Matt scars.
- Lightens bruises.
- Improves skin after acne.
- Prevents new blemishes.
- The product has a clear gel form, which absorbs quickly and does not cause greasiness.

Ingredients:

GLYCOFILMB 1.5P, Nicotinamide, Collagen, Cysteine...

ACNES SCAR CARE

Benefit:

Acnes Scar Care optimizing the complex of Vitamin + Turmeric extract helps to fade scars and quickly reduce acne.

Characteristic:

- Complex of Vitamin C, E, B6 and turmeric extract: Effective in blurring scars and blemishes.
- Salicylic Acid & Isopropylmethylphenol: Prevent new acne formation.
- It is specially formulated for acne-damaged skin. No mineral oil, no irritation, weak acidity.

Ingredients:

Ascorbyl Glucoside, Tocopheryl Acetate, Pyridoxine HCl, Curcuma Longa (Turmeric) Root Extract, Salicylic Acid, Isopropylmethylphenol...

ACNES SCAR & SPOT CLEAR

Benefit:

Post-acne skin treatment: brighten dark spots, fade acne scars, prevent new acne formation.

Characteristic:

- Focuses on advanced ingredients and optimizes the effectiveness of GLYCOFILMS 1.5P technology with the Activ System-CORRECTOR to bring high efficiency in improving acne-induced lesions:

- Matt scars.
- Lightens bruises.
- Improves skin after acne.
- Prevents new blemishes.
- The product has a clear gel form, which absorbs quickly and does not cause greasiness.

Ingredients:

GLYCOFILMS 1.5P, Niacinamide, Collagen, Creatine...

ACNES MAKE-UP REMOVER SHEET

Benefit:

Remove make-up, clean skin, prevent acne.

Characteristic:

- Makeup removers contain anti-bacterial, anti-acne compound, mixture of vitamins, nutrients to help maintain moisture, especially sensitive skin, acne-prone skin, new acne.

Ingredients:

Ethanol, Butylene Glycol, Aloe Barbadosensis (Aloe Leaf Extract)...

ACNES OIL REMOVER FILM ACNES OIL REMOVER PAPER

Benefit:

- Absorb clean and control excess oil on facial skin, keep skin clean, dry, non-glossy.
- Use regularly when skin is oily, sweaty, prevent acne effectively.
- Does not wash off makeup, suitable for all skin types and all ages.

Characteristic:

- Absorbs oil on the skin, helps clean, non-greasy skin, helps prevent acne.

Ingredients:

- Oil Remover Film : Plastic
- Oil Remover Paper : Paper

ACNES GENTLE WASH

Benefit:

- Gently cleanse, prevent new acne formation.
- Maintain moisture, balanced pH for skin.

Characteristic:

Acnes Gentle Wash is anti-acne cleanser for dry, sensitive skin. Transparent gel texture, balanced pH and active ingredients prevent and reduce acne effectively.

- PHA 1%: Gently wash away sebum, dead cells, dirt deep in pores, prevent new acne formation and strengthen skin barrier.

- Fruit Extracts: Maintain moisture, balanced pH for skin.

Ingredients:

Gluconolactone (PHA), Vaccinium Myrtillus Fruit Extract, Saccharum Officinarum (Sugar Cane) Extract, Citrus Aurantium Dulcis (Orange) Fruit Extract, Citrus Limon (Lemon) Fruit Extract, Acer Saccharum (Sugar Maple) Extract, Actinidia Chinensis (Kiwi) Seed Extract,....

ACNES BLEMISH CONTROL TONER

Benefit:

- BHA 0.5%, AHA: Deeply cleanse, remove excess sebum, unclog skin pores.

- Dipotassium Glycyrrhizate, Zinc Gluconate: Soothe acne skin, anti-bacterial, control oil, prevent new acne formation.

- Niacinamide 1%: Maintain moisture and repairs skin.

Characteristic:

- Acnes Blemish Control Toner is specialized for acne-prone skin with a combination of active ingredients AHA, BHA, Zinc Gluconate and Niacinamide.

- Formula contains no mineral oil, no paraben, no alcohol, no fragrance. Suitable for all skin types, even sensitive skin.

- Acnes Blemish Control Toner helps cleanse deeply, anti-bacterial, soothe acne skin, prevent new acne formation, maintain moisture and support skin recovery.

Ingredients:

Salicylic Acid (BHA), Zinc Gluconate, Zinc Chloride, Lactic Acid (AHA), Dipotassium Glycyrrhizate, Zinc Gluconate, Niacinamide,....

ACNES CREAMY WASH

Benefit:

- Deeply cleanse dirt, sebum, dead cells in skin pores.
- Anti-bacterial, effectively reduce acne, protect the skin against acne-causing agents.

- Protect and support skin recovery.

Characteristic:

- Acnes Creamy Wash is specialized for oily, combination skin with a smooth creamy & optimal foaming texture.

- AHA & BHA: Wash away sebum, dead cells, dirt deep in pores.

- Dipotassium Glycyrrhizate, Zinc Gluconate, IPMP: Anti-bacterial, oil control, prevent new acne.

- Niacinamide: Protect and support skin recovery.

Ingredients:

Myristic Acid, Lauric Acid, Olea Europaea (Olive) Fruit Oil, Salicylic Acid (BHA), Zinc Gluconate, Zinc Chloride,....

ACNES OIL CONTROL CLEANSER

Benefit:

- AHA: Deeply cleanse, remove excess sebum.

- Micro-exfoliating scrubs: Effectively exfoliate dead cells.

- Zinc PCA: Control sebum, prevent new acne formation.

- Niacinamide: Protect and support skin recovery.

Characteristic:

Acnes Oil Control Cleanser is specialized for oily skin, oily combination skin with transparent gel texture and super fine particles to wash away sebum, dirt, dead cells deep in pores and effectively prevent acne.

Ingredients:

Lactic Acid (AHA), Micro-exfoliating scrubs, Zinc PCA, Niacinamide, Isopropylmethylphenol (IPMP),....

ACNES C10

Benefit:

10% pure Vitamin C content, stable and well absorbed through the skin, no oil, no preservatives.

Characteristic:

- Vitamin C, also known as Ascorbic Acid, is a powerful antioxidant, able to remove dark spots on the skin (the stratum corneum).
- Inhibit melanin formation and lightens melanin pigmentation, thus fading dark spots caused by acne, supporting in fading pigmentation and skin freckles.
- Promotes the formation of collagen fibers, which help smoothen, flatten acne scars and fade out wrinkles, new acne.

Ingredients:

Ascorbic Acid...

ACNES SEALING JELL

Benefit:

- Salicylic Acid 2%: Dry out pimples, help pimple cones to come out easily, anti-bacterial, prevent new acne.
- Sulfur 3%: Soften and exfoliate the stratum corneum.
- Niacinamide: Minimize the formation of post-acne scars and dark spots.

Characteristic:

- Acnes Sealing Jelly is specialized for whiteheads and blackheads.
- The product combines the active ingredients Salicylic Acid, Sulfur and Niacinamide, effective in drying out pimples, helping pimple cones to come out easily, restoring acne skin, preventing new acne formation and minimizing post-acne scar and dark spots formation.

Ingredients:

Salicylic Acid, Sulfur, Niacinamide...

ACNES 25+ FACIAL WASH ACNE PREVENTING GEL FACIAL WASH

Benefit:

Gentle, deep-cleansing skin, antibacterial, prevent acne.

Characteristic:

- Antibacterial, soothes acne, prevents new acne with salicylic acid.
- Vitamin C helps to brighten skin, fade brown and dark spots after acne, firming skin structure.
- Deep wash dirt, dead cells. Maintain smooth, firm skin with Jojoba Seed & Maltoligosyl Glucoside.

Ingredients:
